

1st International Young Professionals Conference on Process Engineering (YCOPE)

MARCH 18 - 20, 2019

MAX PLANCK INSTITUTE FOR DYNAMICS OF
COMPLEX TECHNICAL SYSTEMS, MAGDEBURG, GERMANY

Biotechnological Production Processes

Process Systems for Renewable Energy Conversion

Production and Separation Methods for Active Pharmaceutical Ingredients

Process Engineering Theoretical Concepts and Tools

PLENARY SPEAKERS:

Dr. Samik Ghosh | The Systems Biology Institute, Japan

Dr. Robin J. White | Fraunhofer Institute ISE, Germany

Dr. Timothy Noël | Eindhoven University of Technology,
Netherlands

Dr. Ruth Misener | Imperial College London, UK

Dr. Nico Zobel | Fraunhofer Institute IFF, Germany

Which challenges lie ahead in the field of Process
Engineering? Come and discuss with us!

Like PhD students and young professionals, bachelor
and master students are also welcome to submit their
abstracts.

Abstract Submission Deadline: Dec. 14, 2018

Registration Deadline: Feb. 15, 2019
